

"For I am the Lord, I do not change;..." - Malachi 3 V6

"Jesus Christ is the same yesterday, today, and forever." - Hebrews 13 V8

Our world has changed considerably between now and the creation. The past hundred years in mankind's history has seen more inventions than ever before. Our world continues to change everyday and sadly man has become proud of his knowledge to the extent that the name of God is being removed from every place. Our generation is more tolerant to sin and what was sin in God's sight is now considered okay and merely treated like a generation gap. But God has not changed, sin still remains sin in His sight and it does not matter what man thinks. Rejoice, for our God changes not and He is the same yesterday, today and forever. Rejoice, for we worship the Lord!

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - **Jesus Christ**
