"Shall the one who contends with the Almighty correct Him? He who rebukes God, let him answer it." - Job 40 V2

"But indeed, O man, who are you to reply against God? Will the thing formed say to him who formed it, "Why have you made me like this?" Does not the potter have power over the clay, from the same lump to make one vessel for honour and another for dishonour?" -Romans 9 V20, 21

In our human wisdom we question God's actions and His will, not understanding that He is the Creator of the universe and in His infinite wisdom He controls even the tiniest dust particle in the universe. The unbelieving world mocks at God's ability to control the universe and often when disaster strikes people question, "where was God when this happened?" or "Why didn't God prevent this from happening". Our God is sovereign and He controls everything. There is nothing too difficult or impossible for God. There is one thing that God cannot tolerate and that is sin. Sin cannot enter into His holy presence and our God loved us so much that He offered His Son, the perfect Holy One, as sacrifice on the cross for the sins of mankind. Those who repent and turn to the Saviour for mercy, him God receives and clothes with His own righteousness. Come and receive the free pardon of God by calling upon the Lord Jesus Christ. Praise the Lord!

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." **- Jesus Christ Amen. Even so, come, Lord Jesus!**
