"Therefore whoever hears these sayings of Mine, and does them, I will liken Him to a wise man who built his house on the rock." - Matthew 7:24

"For no other foundation can anyone lay than that which is laid, which is Jesus Christ." - 1 Corinthians 3:11

In our world today everything seem to be changing and changing quickly. Even government laws and rules change to accommodate new demands and growth; however, there is one thing that will not change and that is the Word of God. The Word of God will never change and will be as relevant as when it was when originally written. Jesus Christ is our sure foundation and corner stone and one who build on top of this foundation will never be shaken. All other grounds (all other world religions, beliefs, etc.) are sinking sand and will perish one day. Are you securely founded on the Lord Jesus Christ? If not, build your faith upon the Lord Jesus Christ. Praise the Lord!
