

"Then they all said, 'Are You then the Son of God?' so He said to them, 'You rightly say that I am.' " - Luke 22:70 "I am the Alpha and the Omega, the Beginning and the End. says the Lord, who is and who was and who is to come, the Almighty." - Revelation 1:8 The divinity of Jesus is a much debated topic in the secular world and among the cults. But this is one of the core doctrines of Christianity because Jesus Himself said He is the Son of God and He proved it several occasions with the very nature of God. He is the Alpha and the Omega and no one can claim this title except God Himself. The Jews in the days of Jesus understood very well the claims of Jesus and hence many times they picked up stones for what they considered blasphemous. They crucified Him for the claims He made but not realizing that the very Son of God they put to death is the sovereign will of God. Our God became Man and He died and rose again to prove His claims and His divinity. Next time you hear someone arguing the claims of Jesus, point them to the scripture. Praise the Lord!
