"I am the door. If anyone enters by Me, he will be saved, and will go in and out and find pasture." - John 10:9 "Nor is there salvation in any other, for there is no other name under heaven given among men by which we must be saved." - Acts 4:12 As absolute as it sounds, it is the absolute truth that Jesus Christ is the only way to heaven. There are 7 I AM statements that Jesus uttered in the gospel of John, which reveals Jesus' divine nature and equality with God the Father. It also points us to the Father for only Jesus can lead us to the Father and there is no other name under heaven given among men by which we must be saved. He is the door and the only door that leads to the Father's house. Be sure to enter through this door and only through this door for there are many imitations and false doors that leads to hell. Praise the Lord!
