

"The Lord is near to all who call upon Him, to all who call upon Him in truth." - Psalm 145:18
"Seek the Lord while He may be found, call upon Him while He is near." - Isaiah 55:6 If we need to meet a very important person, an appointment needs to be taken way ahead of time, and still it doesn't guarantee we get to meet this important person. But with God, the creator of this universe, it is not so. He is the most important and the only important being in the universe, and yet He inclines His ears to the prayers of the lowly. The Lord is near to all those who call upon Him. He hears our prayers each time when we reach out to Him in truth. There is never an appointment needed with God, and He desires that His children reach out to Him in prayer. Don't lose the opportunity but reach out to God today, and as often as you want. Praise the Lord!
