

For since the creation of the world

Written by Jacob Chacko Kallara

"The heavens declare the glory of God; and the firmament shows His handiwork." - Psalm 19:1
"For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead" - Romans 1:20 On Dec 21, 2020, planets Jupiter and Saturn overlapped with each other from Earth's view and appeared to be one larger planet in our sky. Some even called this the star of Bethlehem since the formation happened right around Christmas time. One thing is clear and that is the display of God's glory in His creation. Whether it is in the planetary world or things in the planet called Earth, everything points toward the wonderful attributes of our great God and Saviour Jesus Christ. He made everything and the beauty of all His creation is just the beginning of what man has discovered. The heavens declare the glory of God and yet, sadly, many doubt the existence of God and believe things formed on its own. Let's worship the Lord for He created everything and He loved us so much that He died to redeem us from eternal separation and judgment. Let's praise the name of the Lord for He is our wonderful God, King of the universe. Praise the Lord!
