"...I am the light of the world. He who follows Me shall not walk in darkness, but have the light of life." - John 8:12    "The city had no need of the sun or of the moon to shine in it, for the glory of God illuminates it. The Lamb is its light." - Revelation 21:23    Lord Jesus Christ is the light of the world. He lights up the world filled with darkness and sin. Christ is the light that illuminates the new Jerusalem which will come down from heaven. He will be all sufficient to light the world with His glory. Those who are saved shall walk in its light. Those who call upon Him now shall be saved. Praise the Lord!
