"Turn away my eyes from looking at worthless things, and revive me in Your way." - Psalm 119:37 "The lamp of the body is the eye. If therefore your eye is good, your whole body will be full of light." - Matthew 6:22 Our eye is the lamp of the body. We process a lot through our eyes and it is continuously working when we are awake. From a spiritual sense, our eye can be misused in looking at worthless things which leads to temptation and sin. The very eyes which is meant to help us see can be misused to lead us into spiritual darkness. Many are spiritually blind today because they do not have Jesus Christ living in them. Only God can revive us and keep us from looking at worthless things. Only Jesus Christ can offer the spiritual sight which helps one to discern life from death. He is the light of the world. Come to Him to receive spiritual sight. Praise the Lord!
