---

"Behold, the nations are as a drop in a bucket, and are counted as the small dust on the scales; look, He lifts up the isles as a very little thing." - Isaiah 40:15 "Ah, Lord God! Behold, You have made the heavens and the earth by Your great power and outstretched arm. There is nothing too hard for You." - Jeremiah 32:17 When we look at the observable universe, we get a glimpse of the majesty of God in His creation. The amount of energy within the universe is unfathomable and beyond our finite mind's imagination. The Lord with His word created all things to existence and with a word He could bring all things to nothing. The nations take counsel against the Lord and His anointed, but all their counsel is futile for the nations themselves are as a drop in a bucket before the Lord. How good it would have been if the nations sought the Lord instead of rebelling against Him. But let those who know the Lord magnify His holy name! Praise the Lord!
