---

"The Lord is merciful and gracious, slow to anger, and abounding in mercy" - Psalm 103:8 "If You, Lord, should mark iniquities, O Lord, who could stand? But there is forgiveness with You, that You may be feared." - Psalm 130:3,4 Our Lord is merciful and gracious. Have you ever wondered why God did not just destroy all wickedness in a moment and start all over again? Well, the love of God is unfathomable and His mercy is new every day. He is longsuffering and does not desire any should perish. Turn to the Lord and seek His mercy. Fear Him and pray for His grace. Praise the Lord
