"...Cursed is the ground for your sake; in toil you shall eat of it all the days of your life." - Genesis 3:17 "Therefore, just as through one man sin entered the world, and death through sin, and thus death spread to all men, because all sinned." - Romans 5:12 Sin entered the world through the sin of Adam and Eve. The perfect fellowship between man and God was broken. And as a result everything on earth became cursed. The problem of sin is man created but not man solvable. Only God Himself could solve the problem by becoming man and providing the sacrifice for the sins of all people. Sin entered through Adam, but grace and truth came through Jesus Christ. He Himself became the propitiation for our sins by providing the ultimate sacrifice. The fellowship that was broken between man and God is now mended through Jesus Christ. A time is coming when all those who believe in the Lord Jesus will dwell with Him in His presence. Praise the Lord!
