"And if I go and prepare a place for you, I will come again and receive you to Myself; that where I am, there you may be also." - John 14:3 "He who testifies to these things says, 'Surely I am coming quickly.' " - Revelation 22:20 Surely with our current world events, whether climatic or political, the coming of our Lord must be very near. Of course, there were many world events in the past that may have lead to the same thought. Christians should be looking and hoping for the return of our Lord. We do not know the day nor the hour, but we should wait in anticipation as our Lord were to return today. The signs surrounding us surely indicates that God will need to intervene and stop the chaos. The coming of our Lord is near. Let us hope and pray for His return and to establish His kingdom. A kingdom of peace and prosperity. Even so, come Lord Jesus! Praise the Lord!
