

"The eyes of all look expectantly to You, and You give them their food in due season. You open Your hand and satisfy the desire of every living thing." - Psalm 145:15,16 "And my God shall supply all your need according to His riches by Christ Jesus. Now to our God and Father be glory forever and ever. Amen." - Philippians 4:19,20 All creatures on earth depend of God for all things. Food and water are the most essential needs of all living things, and without these no physical life will survive. God takes care of all living creatures. He made man in His own image, and He let man have dominion over all creature. Man's greatest need is God. Jesus Christ is our Savior, and He is the provider and sustainer of life. He has offered eternal life to all those who come to Him. To all Christians, we have the promise that the our God shall supply all our needs according to His riches by Jesus Christ. Praise the Lord!
