"As the deer pants for the water brooks, so pants my soul for You, O God." - Psalm 42:1
"Looking for the blessed hope and glorious appearing of our great God and Savior Jesus Christ, who gave Himself for us, that He might redeem us from every lawless deed and purify for Himself His own special people, zealous for good works." - Titus 2:13,14

Water is one of the most essential resources God created for the survival of all living things. Most of human civilizations are established near a natural source of water. Just as without water we cannot survive, our spiritual state is created to long for God and quench our spiritual thirst and satisfy our spiritual hunger through Him. Our loving Father desires that we draw near to Him and find our fulfillment in Him. Only our great God and Savior Jesus Christ can satisfy our deepest needs and longing. He gave Himself for us to redeem us and purify for Himself His own special people. He will one day gather all those who have trusted in Him. Let's look forward to that blessed hope and glorious appearing. Praise the Lord!
