"Bless the LORD, O my soul; and all that is within me, bless His holy name!" - Psalm 103:1
"Blessed be the name of the LORD from this time forth and forevermore!" - Psalm 113:2
When we say bless the Lord it is from a context of praising Him and giving Him all glory. God blesses us with all good things, and in return we praise Him and give thanks to Him. It is pleasing to God that His children praise Him and give Him glory. As we do our work and run the responsibilities given to us, let us bless the Lord with thanksgiving and praise. Praise the Lord!
