

"But You are the same, and Your years will have no end." - Psalm 102:27     "Jesus Christ is the same yesterday, today, and forever." - Hebrews 13:8     Our God is the unchanging God. What He has spoken will surely come to pass, and what He has determined no one can oppose. Though the world around us shifts and changes, the God we worship remains the same yesterday, today, and forever. To Him belong all glory, honor, and praise. Praise the Lord!
